1. PREMISES AND TERM

1.1 The Landlord, Aldric Thorne, hereby leases to the Tenant, Marina Voss, the residential dwelling unit located at 742 Willow Creek Drive, Apartment 3B, Ironwood City, IC 98765 (the "Premises"), for a fixed term commencing on January 1, 2026 and ending on December 31, 2026 (the "Lease Term"), unless earlier terminated in accordance with this Agreement.

1.2 The Tenant shall use the Premises solely as a private residence for the Tenant and the Tenant's immediate family. No business, commercial, or short-term rental activity (including but not limited to Airbnb, VRBO, or similar platforms) is permitted without the Landlord's prior written consent.

1.3 The Tenant accepts the Premises in its current condition, "as-is," subject to the move-in inspection checklist attached as Exhibit A.

2. RENT AND PAYMENT

2.1 Monthly Rent

The Tenant shall pay monthly rent of $1,850.00 (One Thousand Eight Hundred Fifty Dollars and Zero Cents) on the first (1st) day of each calendar month during the Lease Term, in advance, without demand, deduction, or offset. Rent for any partial month shall be prorated at a daily rate of 1/30th of the monthly rent.

2.2 Payment Method

Rent shall be paid by electronic funds transfer to the Landlord's designated account, or by such other method as the Landlord may specify in writing. The Tenant shall bear any transaction fees charged by the payment processor.

2.3 Late Fee

If rent is not received in full by the 5th day of the month, a late fee of $75.00 (Seventy-Five Dollars and Zero Cents) shall be assessed. An additional late fee of $75.00 shall accrue for each subsequent five (5) calendar days that the rent remains unpaid. Late fees are additional rent and shall be collectible in the same manner as rent. Acceptance of late payment does not waive the Landlord's right to enforce timely payment in the future.

2.4 Returned Payment Fee

A fee of $35.00 shall be charged for any payment returned for insufficient funds, stopped payment, or any other reason. This fee is in addition to any late fees that may apply.

3. SECURITY DEPOSIT

3.1 Amount and Purpose

The Tenant has deposited with the Landlord the sum of $3,700.00 (Three Thousand Seven Hundred Dollars and Zero Cents) as a security deposit (the "Deposit"). The Deposit secures the Tenant's performance of all obligations under this Agreement, including but not limited to: payment of rent, late fees, and other charges; repair of damage beyond normal wear and tear; cleaning costs upon move-out; and any other amounts owed to the Landlord.

3.2 Holding of Deposit

The Deposit shall be held in a separate, interest-bearing account in a federally insured financial institution. The Landlord shall provide the Tenant with the name and address of the institution and the account number within fourteen (14) days of receipt. Interest accrued shall belong to the Tenant and shall be paid or credited to the Tenant annually or upon termination of the tenancy, whichever occurs first.

3.3 Return of Deposit

Within 30 (thirty) days after the Tenant vacates the Premises and returns all keys and access devices, the Landlord shall return the Deposit, less any lawful deductions, together with an itemized written statement of deductions, if any. Deductions may include: unpaid rent and late fees; costs of repairing damage beyond normal wear and tear; cleaning costs necessary to restore the Premises to the condition at move-in (excluding normal wear and tear); and costs of removing abandoned property. If the Landlord fails to return the Deposit or provide the itemized statement within the thirty (30) day period, the Tenant may recover the full Deposit plus damages as provided by applicable law.

4. MAINTENANCE AND REPAIRS

4.1 Landlord's Obligations

The Landlord shall maintain the Premises in a habitable condition and shall make all repairs necessary to comply with applicable housing codes and to keep the following in good working order: structural components (roof, walls, floors, foundation); plumbing systems and fixtures (including pipes, faucets, toilets, water heater); electrical systems (wiring, outlets, fixtures); heating and ventilation systems; appliances provided by the Landlord (refrigerator, stove/oven, dishwasher, microwave); and common areas.

4.2 Tenant's Obligations

The Tenant shall: keep the Premises clean and sanitary; properly use and operate all fixtures and appliances; promptly notify the Landlord in writing of any condition requiring repair; not damage, remove, or alter any part of the Premises; and be liable for any damage caused by the Tenant, the Tenant's guests, or invitees, beyond normal wear and tear.

4.3 Plumbing Repairs

The Landlord is responsible for all plumbing repairs, including but not limited to: leaking pipes, faucets, and fixtures; clogged drains not caused by the Tenant's misuse; water heater malfunction; and sewer line issues originating outside the Premises. The Tenant is responsible for drain clogs caused by foreign objects, grease, hair, or other materials introduced by the Tenant or the Tenant's guests. The Tenant shall not dispose of grease, oil, or non-biodegradable materials in any drain or toilet.

4.4 Emergency Repairs

In the event of an emergency (gas leak, flooding, no heat in winter, electrical hazard, or any condition posing immediate danger to health or safety), the Tenant may contact emergency services directly and shall notify the Landlord as soon as practicable. The Landlord shall reimburse the Tenant for reasonable emergency repair costs if the Landlord was unavailable or failed to respond within a reasonable time after notification.

5. PETS

5.1 Pet Policy

The Tenant may keep one (1) domestic cat or one (1) dog weighing no more than twenty-five (25) pounds at maturity, subject to the following conditions: (a) the Tenant shall pay a non-refundable pet fee of $200.00 per pet prior to bringing the animal onto the Premises; (b) the Tenant shall provide proof of current vaccinations and licensing as required by local law; (c) the pet shall not create a nuisance (excessive noise, odors, damage to property, or threat to other residents); (d) the Tenant shall immediately clean up all pet waste from common areas and the Premises; (e) the Tenant shall be fully liable for any damage caused by the pet.

5.2 Prohibited Animals

The following are prohibited without exception: exotic animals, reptiles, amphibians, ferrets, birds (except caged birds not exceeding two), livestock, and any animal designated as dangerous or vicious under applicable law. No additional pets may be acquired without the Landlord's prior written consent.

6. SUBLETTING AND ASSIGNMENT

The Tenant shall not sublet the Premises, assign this Agreement, or permit any other person to occupy the Premises without the Landlord's prior written consent, which consent shall not be unreasonably withheld. Any request to sublet or assign must be submitted in writing at least thirty (30) days before the proposed effective date and must include the proposed subtenant's or assignee's full application, references, and credit information. The original Tenant remains jointly and severally liable for all obligations under this Agreement notwithstanding any permitted subletting or assignment. Short-term rentals of any duration (including but not limited to nightly, weekly, or monthly rentals via any platform) are strictly prohibited and constitute a material breach of this Agreement.

7. UTILITIES AND SERVICES

The Tenant shall be responsible for and shall promptly pay all charges for the following utilities and services supplied to the Premises: electricity, gas, water, sewer, trash collection, internet, and cable/satellite television. The Landlord shall be responsible for: property taxes, homeowners association dues (if any), and structural insurance on the building. The Tenant shall establish all utility accounts in the Tenant's name effective on the commencement date of the Lease Term and shall not disconnect service before the termination date. The Landlord makes no representation regarding the availability, quality, or cost of any utility or service.

8. TERMINATION

8.1 Termination by Tenant

The Tenant may terminate this Agreement at the end of the Lease Term or any renewal term by giving the Landlord written notice at least 60 (sixty) days prior to the desired termination date. Such notice must be delivered in accordance with Section 14 (Notices). If the Tenant fails to give the required notice, the Tenancy shall convert to a month-to-month tenancy on the same terms, except that the Landlord may increase the rent upon thirty (30) days' written notice.

8.2 Termination by Landlord

The Landlord may terminate this Agreement: (a) at the end of the Lease Term or any renewal term by giving the Tenant written notice at least sixty (60) days prior to the termination date; (b) for cause, including but not limited to: material non-compliance with this Agreement after ten (10) days' written notice to cure (or immediately for non-payment of rent after the grace period); illegal activity on the Premises; or substantial damage to the Premises; (c) if the Premises are condemned or rendered uninhabitable by fire, flood, or other casualty, upon five (5) days' written notice.

8.3 Early Termination Fee

If the Tenant terminates this Agreement before the expiration of the Lease Term other than as permitted by Section 8.2(b) or 8.2(c), the Tenant shall pay an early termination fee equal to two (2) months' rent ({MONTHLY_RENT} x 2 = $3,700.00) plus all rent due through the termination date. This fee is liquidated damages, not a penalty, and represents a reasonable estimate of the Landlord's losses including lost rent, marketing costs, and administrative expenses.

8.4 Effect of Termination

Upon termination, the Tenant shall: vacate the Premises by the termination date; remove all personal property; clean the Premises to the condition documented in the move-in inspection checklist (Exhibit A), normal wear and tear excepted; return all keys, access devices, and parking permits; and provide a forwarding address for the return of the Deposit. The Landlord's remedies under this Agreement are cumulative and not exclusive.

9. RENT INCREASES

The Landlord may increase the monthly rent upon renewal of the Lease Term by providing the Tenant with written notice at least sixty (60) days prior to the renewal date. The increase shall not exceed five percent (5%) of the then-current monthly rent, unless a greater increase is permitted by applicable law. During the initial Lease Term, the monthly rent shall not be increased.

10. RIGHT OF ENTRY

The Landlord may enter the Premises at reasonable times upon twenty-four (24) hours' written notice for the following purposes: to inspect the Premises; to make necessary or agreed repairs; to show the Premises to prospective tenants, purchasers, or lenders; or in case of emergency. The Landlord shall not abuse the right of entry or use it to harass the Tenant. Entry without notice is permitted only in genuine emergencies.

11. INSURANCE

The Tenant shall maintain renters insurance with a minimum personal liability coverage of $100,000.00 and shall name the Landlord as an additional interested party. The Tenant shall provide proof of insurance to the Landlord within fourteen (14) days of the commencement date and upon each renewal. The Landlord's insurance does not cover the Tenant's personal property or liability.

12. DEFAULT AND REMEDIES

In addition to the late fees specified in Section 2.3, the Landlord may pursue any remedy available at law or in equity upon the Tenant's default, including but not limited to: eviction proceedings; recovery of unpaid rent, late fees, and damages; application of the Deposit; and recovery of attorney's fees and court costs if the Landlord prevails in any legal action arising from this Agreement. The Tenant's failure to pay rent when due is a material breach.

13. GOVERNING LAW AND DISPUTE RESOLUTION

This Agreement shall be governed by the laws of the State of Ironwood, without regard to conflict-of-law principles. Any dispute arising from this Agreement shall first be submitted to mediation with a mutually agreed mediator. If mediation fails, the dispute shall be resolved in the courts of Ironwood County. The prevailing party shall be entitled to reasonable attorney's fees and costs.

14. NOTICES

All notices under this Agreement must be in writing and shall be deemed delivered: (a) upon personal delivery; (b) three (3) business days after mailing by certified mail, return receipt requested; (c) upon confirmed email transmission to the parties' designated email addresses; or (d) upon confirmed delivery by a nationally recognized overnight courier. 15. ENTIRE AGREEMENT AND AMENDMENTS

This Agreement, including all exhibits and addenda, constitutes the entire agreement between the parties and supersedes all prior negotiations, understandings, and agreements. No amendment shall be effective unless in writing, signed by both parties, and expressly states that it amends this Agreement.

16. SEVERABILITY

If any provision of this Agreement is held invalid or unenforceable, the remaining provisions shall continue in full force and effect. The parties shall negotiate in good faith to replace the invalid provision with a valid provision that most closely achieves the original intent.
